The following is an examiner's statement of reasons for allowance:

applicant claims a reciprocating dry shaver with a pair of shaving heads. At least one of the heads is mounted to a first part (Fig. 5) and attached therethrough to a second part on the razor body. As forces are applied to the shaving head the head moves down and outwardly to stretch the user's skin. This feature is set forth in claim 1 and not shown or suggested by the cited art. The case has therefore been allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Douglas D. Watts whose telephone number is (703) 308-0153. The examiner can normally be reached on Mon.-Thurs..
